## ROTC Club Reminder Update on 9/11

MJMS JROTC Cadet Club (15SEP26).pdf
Download
252.8 KB

Reminder this club starts on September 22nd not on the 15th (Major A & 1SG have been called for training out of town next week). Interested students need to met out front of the school by 3:40 and they can find the attached information in the counseling office.

Questions please reach out to Major Adriano at Green Hill at adriader100@wcschools.com

## Smoke Alarm PSA State Mandated

Why Smoke Detectors Matter

Smoke detectors are one of the most effective tools for preventing injury during a home fire. According to national fire safety data, working smoke alarms cut the risk of dying in a home fire by about half. Most fire-related injuries happen at night, when families are asleep and unaware of danger. A functioning smoke detector gives you the early warning you need to escape quickly.

What Families Can Do

- Test all smoke detectors in your home using the test button.
- Replace batteries if the alarm chirps or hasn't been changed in the last year.
- Check the age of each detector. Most devices need to be replaced every 10 years.
- Install detectors on every level of your home, including inside and outside bedrooms.
- Create and practice a family escape plan so everyone knows what to do if an alarm sounds.

---

## TE21 Benchmark Testing

Starting next week, students will take their first benchmark exams of the school year. We encourage every student to simply take their time, focus, and do their best on each assessment.

These benchmark results provide valuable information for our teachers as they adjust instruction, identify areas of strength and growth, and plan targeted support for students. In addition, the data may be used as one factor when considering course placements and scheduling decisions for the 2027-2028 school year. We take a total of 3 benchmarks exams during the school year before state testing.

Tues 9/22 - ELA writing
Wed 9/23 - ELA reading
Thur 9/24 - Social Studies

Mon 9/28 - Math Part 1, No calculator
Tues 9/29 - Math Part 2, w/calculator
Wed 9/30 - Science

---

## Health Screening

Hearing and vision screenings for 8th grade have been rescheduled for 10/19 (previously scheduled day was canceled for district wide closure due to heat)

If you do not want your child to participate in the hearing and vision screenings, please email the school nurse graciam@wcschools.com or send a signed note stating that you decline screening for your child. Please submit your request by 10/15.

Students whose screening results do not meet the criteria will be notified by letter and/or email with information regarding recommended follow-up.

No notification will be sent if your child's screening results are within the expected range.

Thank you for helping us support the health and well-being of our students

## STUCO Color Run Updated Info

_Color Run 2026 (3).pdf

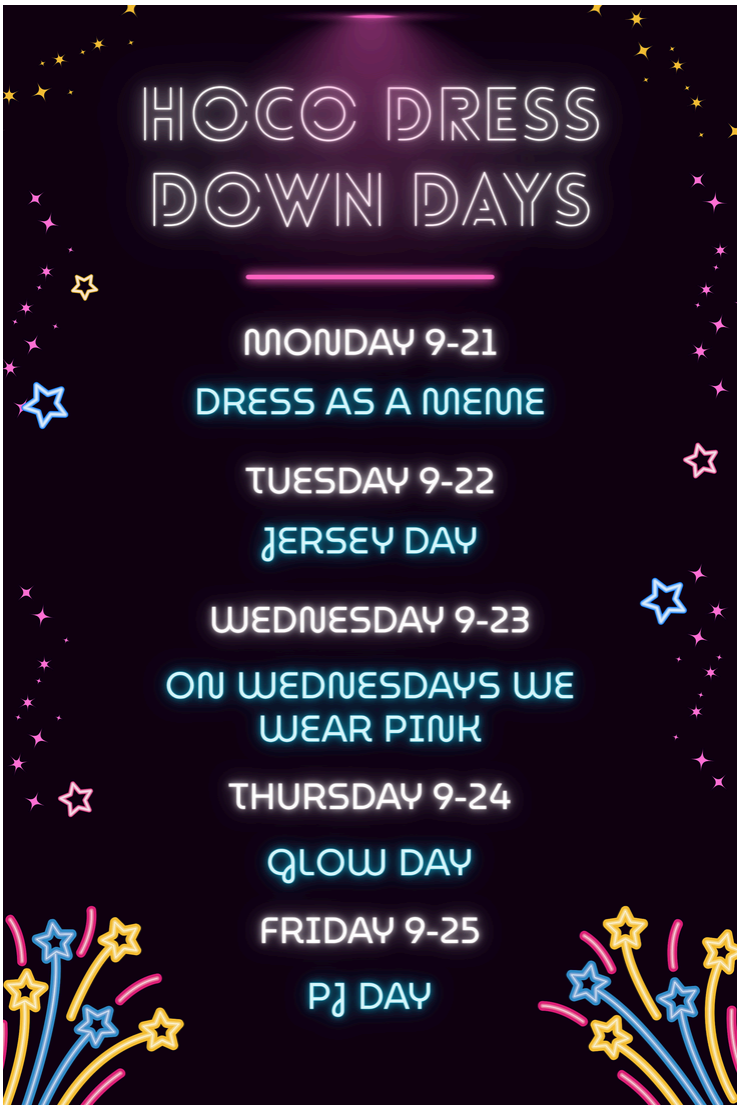

Download
367.0 KB

Last day to turn in forms is now Sept. 21st.

Students can see Mrs. Serbin for forms or questions - putmanserbina@wcschools.com
