Update 9/17/2026

Good afternoon, IWA Family. As we mentioned in our letter, we have contracted with Catholic School Consulting, a division of Christian Brothers Services, to help guide our search for the next President of Incarnate Word Academy. The input of our IWA family is of vital importance to us as we begin this process. Our consultant will be on campus the first week of October and will be meeting with various individuals and groups to better understand who we are, our needs, our expectations, and our vision for the future of IWA.

We will be assembling a search committee to assist with the process of screening and interviewing candidates. To attract and protect the confidentiality of strong candidates, we will be unable to share any information regarding candidate names, application materials, interview details, or search committee deliberations. Please know that even when we have no major public update to share, much work will be continuing behind the scenes. Our search timeline is designed with the goal of naming a new President by late January to mid-February.

Our families can support the search by praying for the process, staying informed through our official updates, and most importantly, helping us spread the word by sharing this opportunity with qualified Catholic educational leaders that you believe would be a good fit for our school community.
