CONSTITUTION DAY REMINDER

Dear MUSD Families,

The Constitution begins with three powerful words: "We the People."

Today, on Constitution Day, those words feel especially relevant as Arizonans prepare to make their voices heard in the November election.

The **Arizona voter registration deadline is October 5**. Be sure to:

- Confirm your voter registration.
- Update your information if you have moved.
- Encourage another eligible voter to register.

Registering takes only a few minutes. Visit AZMVDNow.gov to register online.

Happy Constitution Day!

Thank you for choosing MUSD.

Sincerely,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
