

What is the Passing of the Torch?

As part of Homecoming 2026, Roslyn is introducing a new tradition called the Passing of the Torch, bringing together our kindergarten students, the Class of 2039, and our graduating seniors, the Class of 2027.

Prior to the 7:00pm Varsity Girls Soccer game on Friday, September 18, our kindergarteners will line up at one end of the soccer field while our seniors line up at the opposite end. At the start of the ceremony, the two classes will walk toward one another and meet at midfield, symbolically passing the torch from one generation of Roslyn students to the next.

Our seniors, who are beginning their final year in Roslyn, will welcome our kindergarteners, who are just beginning their journey. Each senior will present a kindergartener with a special note of encouragement and advice for the years ahead.

Following the ceremony, the kindergarteners and seniors will join our soccer teams on the field for the National Anthem before the Homecoming game begins.

We hope our kindergarten and senior families will join us for this special new Homecoming tradition.

Meeting Info: At 6:15 PM, the kindergarteners and seniors will gather on the high school tennis courts. Students will meet their classmates and then be escorted to the soccer field by school district staff. Senior students will meet near the field house before being directed to line up in the end zone.

**Parents are encouraged to park their cars in the front parking lot of Roslyn High School. The address is: 475 Round Hill Road, Roslyn Heights, NY 11577.*
