

Mariah Seebold

Greenville, Social Studies

Hi! I'm Mariah Seebold. I began my teaching career here at Greenville, where I had the opportunity to take on several different roles, including building substitute and a leave replacement. I then spent a few years teaching in Mount Vernon.

Last year, I was fortunate enough to return to Greenville as a leave replacement, and I'm so excited to be back again this year!

One thing I really value about Edgemont is the strong sense of community, the support from staff and families, and the students!

Outside of school, I enjoy spending time with family and friends, exploring new places with my fiancé and our three sons, working out, reading, and enjoying a good cup of coffee!
