Colin Hogan and Patrick Sprinkle-Presenters

**What is the
problem we
are trying to
solve?**

How do we continue to innovate?

How do we continue to support our mission, vision, and
core values for the next 30 years?

How do we become a leader nationally in terms of
academic success, school culture, climate, and design?

Academic and Student Success

Focus on faculty and student well being

Academic and Student Success Outcomes by 2029

-
1. LCCS achieves Blue Ribbon status, meaning all our students perform at the highest level on state testing.
 2. LCCS teachers receive innovative professional development that helps our students achieve and continues to sustain and support every faculty member in growing as educators.
 3. Every student's involvement in extracurriculars and their relationship with faculty members is measured to enhance student experiences at LCCS.

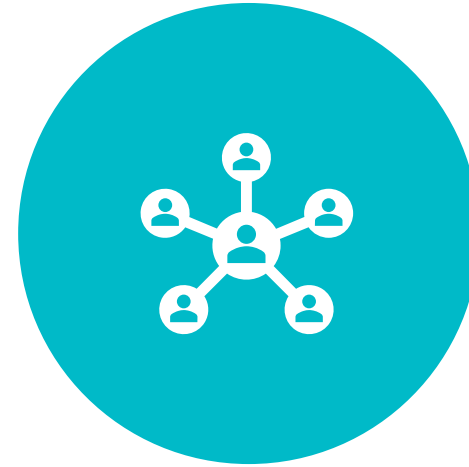

Community and Communication

-
- Making sure that our entire community understands who we are, what we do, and how they play an integral role

Community and Communication Outcomes by 2029

-
- LCCS will develop a school-wide communication framework that addresses our diverse community.
 - 1. All families receive LCCS communication in their preferred language.
 - 2. Communication becomes a pathway to increase parent and alumni volunteerism and engagement.

Governance and Leadership

BOTH SCHOOL AND BOARD LEADERSHIP
ARE TRANSPARENT, ACCESSIBLE,
SUPPORTIVE, AND COLLABORATIVE

Governance and Leadership Outcomes by 2029

-
- LCCS will develop an approach for long-term leadership sustainability to maintain our mission, vision, core values, and preserve institutional knowledge.
1. We will create a formalized board governance handbook and approach to mentorship to continue to develop a leadership pipeline for years to come.

Operations and Technology

- The school develops an overall approach regarding technology's use and role in instruction aligned with the school's mission and vision

Operations and Technology Outcomes by 2029

-
- LCCS will develop an approach to technology to make work more efficient and strengthen student success.
 1. LCCS will create a technology roadmap document addressing how technology is taught, used, managed, and evaluated at LCCS.

Facilities for Learning and Well Being

-
- Developing and maintaining a process to create a sustainable and inspiring learning environment

Facilities for Learning and Wellbeing by 2029

- LCCS will preserve and enhance our exterior integrity and our indoor environmental quality.
 1. LCCS will continue to pursue projects associated with creating more usable space, bathroom modernization, and HVAC upgrades.

Financial Growth and Stability

-
- To maintain our strategic plan, we will create a financial model that is aligned with our goals, along with an evaluative process to make this possible

Financial Growth and Stability

-
- LCCS will strengthen fiscal resilience by having a user-friendly budget in multiple languages is accessible and shared with faculty and LCCS families and posted on our website.

What's Next

The LCCS Strategic Plan for 2027-2029 is a living document that will be updated annually, evolving as our community does.

Quarterly reports on progress made at LCCS board meetings.

A community transparency report will be issued on June 27, 28, and 29, reporting on our progress.
