

Special Education Advisory Committee

EAST GREENWICH PUBLIC SCHOOL DISTRICT | 2026-27

All Means All - Our Total Commitment to Every Student

Working Together for Students with Disabilities

SEAC brings together families, educators, service providers, and administrators to improve the educational experience for students with disabilities: identify unmet needs, strengthen communication, advise district leaders, and influence policy.

What SEAC Does

- Inform** Offer resources and information to help families navigate the IEP process.
- Educate** Advocate at local, state, and national levels for the best educational experience for all learners.
- Activate** Collaborate with the larger East Greenwich community to foster an inclusion mindset.
- Empower** Cultivate support networks for parents and guardians as advocates for students with disabilities.
