

Volusia County Schools Teacher of the Year Optional Banner

1. Banners will not be hung at the Teacher of the Year awards celebration. Creating a banner for your nominee is encouraged, but optional.
2. These guidelines are for banners measuring three feet by six feet (3' X 6') in three different shapes:

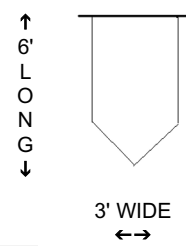

Extend dowel 6" on
both sides of banner.

Extend dowel 6" on
both sides of banner.

Extend dowel 6" on
both sides of banner.

3. Banners should have a sturdy dowel (pvc pipe recommended) attached to the top for hanging. Dowels should be six inches beyond the banner on each side to allow for hanging of the banner. The dowel should be one inch in diameter to prevent the banner from sagging as it hangs.
4. Banners should be made of lightweight material.
5. Banners should be colorful, creative, and artistic. Any means of decoration can be used (paint, felt, sewing, collage, etc.) as long as decorations are attached securely. Any and all designs are acceptable: quilts, figure drawings, landscapes, abstracts, graphics, etc. Both sides of the banner may be decorated.
6. This year's theme is: *"Where Every Future Begins"*
