Attendance Policy

Attendance- Students are expected to show up to class on-time.

- **Excused Absences** will be given the amount of days they are gone, plus 1 day (according to school policy) to complete and turn-in the missed work.
- **Unexcused absence** means students will not be able to make up any work or points given that class.
- **School Excused Absences (Activities)** are required to be mentioned at least **THREE** days prior so all possible material can be given to the student. If materials are not prepared at that time, I will work with you on creating a personal plan.
- **Medical Absences** require a note to the office within two weeks of the medical appointment. The office will handle these.

NEW District Attendance Policy

No matter the student, the following attendance policy is now in place for each semester. The following absences do not include medical or activity (school excused) absences.

Absences 1-10, if excused or ill, students will be able to make up work. See the *Excused Absences* above.

Absences 11-12, if excused or ill, students will NOT have the ability to make up work from those days OR due on those days.

Absence 13, if excused or ill, will cause a student to be removed from the class with a "Loss Credit" recorded on their transcript.

As the teacher I will more than likely reach out when a student has reached an absence total around 7, however the school and admin will be sending out regular communication with families regarding absences.

Late Work Policy

- What should I do if I am gone?
 - Look on Schoology
 - Ask a classmate
 - Ask Mr. Fairbairn (or email me if you are gone for more than one day)
- Late Work Policy
 - Students can complete their late work up until a unit assessment.
 - You can tell if an assignment is missing and you can still turn it in by checking on Infinite Campus. I will mark assignments as turned in on IC if you need to check whether you have turned something in.
 - Any missing students will be scored as a "0" or "F" in the gradebook until it is turned in.
 - There are some assignments that cannot be made up. These include time-sensitive assignments like being prepared for a discussion. There will be no opportunity to make these up.
 - Be respectful of everyone's time. If you turn in assignment late, do not expect it to be graded immediately. Do NOT expect immediate grading or immediate feedback.

Absences

If you are going to be absent for any reason, please have a guardian call the main office to be excused.

If you know you will be absent, you can talk or email Mr. Fairbairn to ask what you will miss. Otherwise, you can check Schoology for assignments.

Cheating and Plagiarism

Academic Honesty: Plagiarism is wrong. This means you should not copy someone else's work or ideas and say they are yours. Show the same respect you would want for your own hard work. Do not copy and paste sentences from the internet, a textbook, or any other source. You must use your own words (this is called *paraphrasing*) or give credit to the source (this is called (*citing*)). Copying from another student or letting someone copy from you is cheating. This will result in zero points for both students. This also includes using AI, like ChatGPT, Google Gemini, etc. If you are found to have cheated, your principal will be contacted. If the cheating continues, contact will be made with your guardians.

Other Policies

Cellphones

NO PHONES!

State law says that students are not allowed to use their phones for the duration of the school day. This means from the time you arrive at school to the time you leave.

[District Policy on Personal Electronics](#)

Food and drink

- Drinks must have a spill-proof lid. Drinks without lids must be placed on the back table or side counter until the end of class.
- Small snacks are allowed as long as they are not distracting to others and do not make a mess.
- You must clean up after yourself. No crumbs, no wrappers. If you leave a mess, **EVEN ONCE**, you will lose your rights to have snacks for the rest of the year.
- I reserve the right to change this policy at any point during the school year if necessary.

Classroom Procedures

- There will be procedures for different situations on the following slides.
 - We can discuss these classroom procedures and decide what works best as a class. However, Mr. Fairbairn has final decision on all classroom procedures.

- Students can ask to use the bathroom during independent work time. Create a pass on SecurlyPass to be approved by Mr. Fairbairn.
- DO NOT ask to go to the bathroom at the beginning of class after the bell has rung or during whole-group or small-group time. (Unless it is an emergency)
