

Timberlane Regional High School

Senior Portrait Yearbook Submissions Information

Senior Portraits are due October 16th, 2026.

Geskus Photography is the school's contracted photographer; however, you can have the senior portrait taken by anyone. Students/families are responsible for submitting their own photo for use in the yearbook. Some photographers will do it for it if you ask. Appointments should be made ASAP to make sure you have your photo in time to submit for the yearbook. If the yearbook does not receive a photo submission by October 16, 2026 the student ID photo will be used.

When taking\submitting your photos please keep in mind the following requirements:

- **The portrait must be a headshot (image shows head and upper torso). Full body pictures will be cropped to meet this regulation.** Also, horizontal poses do not make for good selections for the yearbook as they may not look as intended when cropped.
- **Props are not allowed** (e.g., musical instruments, athletic equipment/gear, pets, cars etc.)
- **TRHS Dress Code must be followed.**
- Students must submit a digital photo. **The photo must be in JPEG format, 1 MB resolution or better, and have standard photo aspect ratio (e.g., 5in. x 7in).**
- **Submitted photos cannot be proofs and must be free from watermarks.** If the photo you have has a watermark or the word proof on the photo, please reach out to your photographer.
- Photos will be submitted using a Google Form. Go to <https://forms.gle/Np5wsJHXAq2NTVBJ7>
Please submit only one portrait. We cannot accept multiple pictures of the same student.
- Photos will be reviewed and approved by administration. Students will be contacted if their photo is not approved.

If you have questions, please contact the yearbook advisors:

Marie Follis (marie.follis@timberlane.net) and Laura Sweet (Laura.Sweet@timberlane.net)
