Working Session:

The Board Discussed the Following Items:

- Tax Rates
 - The Board reviewed the tax rate reports for the 2026 – 2027 school year.
- Energy Performance Savings Contract for the Junction City Elementary School and Perryville Elementary School Renovation Project
 - Brad Beatty, Architect, provided an update on the Junction City Elementary School and Perryville Elementary School renovation projects. Mr. Beatty recommended that the District continue with the conventional architectural and construction process for the renovations, as only one (1) of the schools would qualify for an Energy Performance Savings Contract, which could delay the project. Mr. Beatty noted that an Energy Performance Savings Contract might be an option for the Boyle County High School renovation project.
- August 20, 2026, Regular Board Meeting Agenda
 - The Board discussed the agenda for the August 20, 2026, regular board meeting.

Action Item:

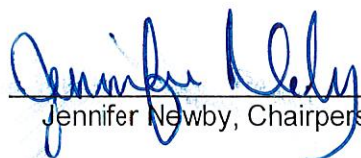

Discussed/Approved Proposed Tax Rates for the 2026 – 2027 School Year and Meeting Date for Tax Rate Approval:

157. On motion of Mr. Johnson, seconded by Mr. Tamme, the Board voted unanimously to approve setting the proposed tax rates for the 2026–2027 school year as follows: Property – 66.8; Tangible – 66.8; Motor Vehicle – 53.9; and Utility – 3.0. The Board also voted not to take the 0.1 exoneration. The meeting for final approval of the proposed tax rates was set for September 3, 2026, at 6:30 p.m. Eastern Time (5:30 p.m. Central Time) at the Boyle County Middle School library.

The Board's decision reflects an increase in revenue of less than four percent (4%) over the 2025–2026 school year. The proposed tax rate is not subject to recall under KRS 132.017.

Adjourned:
