

EARLY CHILDHOOD SCREENINGS

Do you have a child between the ages of 3-5 years old, and not attending/enrolled in school?

Do you have concerns about their development?

Do you suspect delays in speech/language, thinking, or motor skills?

Typical Milestones:

- 24-36 Months Child should be able to climb well, turn book pages one at a time, and recognize and identify almost all common objects and pictures.
- 3-4 Years Child should be able to kick and throw a ball, use scissors, draw circles and squares, speak in 5-6 word sentences, tell stories and correctly name some colors.
- 4-5 Years Child should be able to swing and climb, print some letters, dress independently, recall parts of a story, count to 10 or more objects, wants to please and be with friends, likes to sing, dance and act.

The School District of Beloit offers free Early Childhood Screenings
