AP Studio Art: 3D		Honors Latin III
		Honors Latin IV
* Most Dual Enrolled Classes in Core Subjects will count towards Rigor ** Check full list of HOPE Rigor Courses HERE		

The above list is based on information available at time of print. Always check GAfutures.org for the most detailed information. It is suggested that your student create an account on GAfutures.org. Once an account is created, students can check their HOPE GPA (which is different than their High School GPA). A "detailed report:" can also be viewed showing which classes count towards the HOPE GPA and which count as Rigor.
