

Function	Function Description	Object	Object Description	Organization	Total	Narrative Description
100	Instruction	100	Salaries	Beaufort Elementary	\$ 144,360.00	INSTRUCTIONAL SUPPORT PERSONNEL- SALARY Title I funds will support two full-time interventionists (2 FTE) to provide targeted, small-group instruction in grades K-5 for students at risk of not meeting academic standards. These services will supplement core instruction using data-driven strategies to strengthen literacy and math skills, accelerate learning, and close achievement gaps. (\$141,800)
						Title I funds will support extended learning opportunities beyond the school day to provide additional academic and social-emotional support for students. Activities such as CheerLEADing, Art, Dance, Music, Theatre, Robotics, Engineering, Math Games, and Sports will reinforce academic skills, promote engagement, and build confidence. These programs offer supplemental, small-group, hands-on learning experiences that help improve achievement and support the needs of students at risk of not meeting academic standards. (\$2,560)
100	Instruction	200	Employee Benefits	Beaufort Elementary	\$ 55,379.00	INSTRUCTIONAL SUPPORT PERSONNEL- BENEFIT Title I funds will support benefits for interventionists and teachers providing after-school programs. These costs ensure consistent, qualified staff to deliver supplemental instruction and enrichment, helping students strengthen academic skills, close achievement gaps, and improve overall performance.
100	Instruction	300	Purchased Services	Beaufort Elementary	\$ 1,200.00	INSTRUCTIONAL SUPPORT- CONTRACTED SERVICES Title I funds will support contracted services to enhance academic instruction through Arts and STEAM-based experiences aligned with the Schoolwide Learning Plan (SLRP). Engaging students through hands-on, inquiry-based activities is a research-based practice that increases achievement and student engagement. Funds will be used to bring in qualified educational presenters (e.g., Aquarium Rovers, Soil and Conservation, Artists in Residence) to provide standards-based instructional experiences that reinforce classroom learning. These supplemental opportunities help deepen understanding, support diverse learning styles, and improve outcomes for students at risk of not meeting academic standards.
100	Instruction	400	Supplies and Materials	Beaufort Elementary	\$ 3,350.00	INSTRUCTIONAL SUPPLIES AND MATERIALS Provide appropriate supplemental instructional materials and supplies which include a variety of tools and resources that educators use to plan and deliver instruction. These tools are used in instructional activities, which include active learning and assessment and in which all materials are designed for use by pupils and their teachers as a learning resource and help pupils to acquire facts, skills, or opinions or to develop cognitive processes. Instructional materials/supplies may be printed or nonprinted, and may include books, technology-based materials, other educational materials, and curriculum-based tests. This will include STEAM and art supplies to enhance engaging, standards-based instruction with items such as pipe cleaners, tape, clay, foil, paint, markers, and construction paper provide hands-on learning opportunities that promote creativity, critical thinking, and problem-solving. Afterschool program materials needed for various clubs- art materials, sheet music, instructional games, play rights, tap shoes and costumes, PE equipment for wellness activities and books.
188	Parenting/Family Literacy	400	Supplies and Materials	Beaufort Elementary	\$ 6,836.00	PARENT AND FAMILY ENGAGEMENT - SUPPLIES Provide food that encourage participation at parenting events. The following activities are planned, Literacy Night for 820 (\$1400), 1 Math Night for 820 (\$2300), Literacy Luau for 150 (\$600), STEAM night for 820 (\$650), Parenting Education Night/Art (1 per grade level) for 820 (\$1296), and Art Night for 820 (\$600) Provide appropriate supplemental instructional materials and supplies which include a variety of tools and resources that educators use to plan and deliver instruction for parent education activities. (STEAM materials such as play dough, paper, straws, etc. - Math manipulatives to take home such as flash cards, tangrams, dice, etc. - Literacy nights include supplies such as books, materials for make and take projects, etc. - Parenting Education materials include supplies to make instructional games, flash cards, sight recognition games, wikki sticks, etc.)
220	Instructional Staff	300	Purchased Services	Beaufort Elementary	\$ 1,000.00	PROFESSIONAL DEVELOPMENT OPPORTUNITIES FOR TEACHER TO INCREASE TEACHER QUALITY Title I funds will support an Arts Integration Professional Development (PD) consultant to provide teachers with training on effectively integrating the arts into core academic instruction. Arts integration is an evidence-based strategy that enhances student engagement, deepens understanding of academic content, and improves overall achievement. The consultant will equip teachers with practical strategies and resources to design and implement standards-based lessons that incorporate visual and performing arts across subject areas. This professional learning will strengthen instructional practices, support diverse learners, and promote higher-order thinking skills. By building teacher capacity, this investment ensures sustained, high-quality instruction that benefits students—particularly those at risk of not meeting academic standards—and aligns with Title I goals of improving student outcomes through effective, research-based practices.
271	Pupil Service Activity - Field Trip Transportation	600	Other Objects	Beaufort Elementary	\$ 5,135.00	INSTRUCTIONAL SUPPORT - EDUCATIONAL EXCURSIONS (SEE ATTACHED FORM for specific details) Title I funds will support educational excursions for 300 students aligned to South Carolina curriculum standards that extend learning beyond the classroom. These experiences provide hands-on, real-world applications of academic concepts, strengthening student understanding and engagement. Field-based learning opportunities reinforce core subjects such as science, math, literacy, and social studies while supporting inquiry, critical thinking, and problem-solving skills. By connecting classroom instruction to authentic experiences, these excursions help meet the needs of diverse learners and improve achievement for students at risk of not meeting academic standards. These activities are supplemental to the core program and directly support the goal of increasing academic success through meaningful, standards-based learning opportunities.
