Stop the Bleed – Save a Life

Monday, October 19, 6:30 p.m.

Evergreen Park Fire Department, 9000 South Kedzie. Park in the North or West Parking Lot and enter through the first door on the West side of the building.

Severe bleeding can happen anywhere and at any time. Knowing what to do in the first few minutes can make a life-saving difference. The Stop the Bleed class teaches participants simple, practical techniques to recognize life-threatening bleeding and take immediate action while waiting for emergency medical services. Through hands-on instruction and practice, participants will learn how to apply direct pressure, pack a wound, and use a tourniquet effectively. No prior medical experience is required – just a willingness to learn skills that could help save a life. Personal Stop the Bleed kits will be available for purchase for \$50.00.

A \$50.00 non-refundable deposit (check made out to Evergreen Park Fire Department) is required when registering. (Please note: There is no charge for Village Employees, however you must complete the registration process.)
