Highline Academy Sponsorship Program

School Year: 2026-27

Highline Academy Charter Schools invites local and corporate businesses to partner with our school through our tiered sponsorship program. Your sponsorship directly funds our mission to foster a diverse and equitable community of youth and adults striving together for academic, personal, and civic excellence while putting your brand in front of our families, an engaged, local audience, throughout the school year. Approximately 400 families are part of each campus community.
