

CERTIFIED SCHOOL LIBRARIAN SUPPORT

Our ESC's certified librarian on staff helps provide leadership and vision for your library program, as well as delivering support in day-to-day library operations.

Areas of Support:

- Program evaluation based on Texas State Library Standards
- Guidance on processes and procedures for legislation
- Support of digital library systems
- Collection evaluation
- Support for campus library staff
- And more!

Why Library Support?

Are your library services meeting the Texas School Library Standards & Guidelines?

Students in your school district deserve a dynamic library program that fosters a culture of reading, inquiry, and lifelong learning. Let us help you empower all students through your libraries!
