Spotlight: 2026 Annual Fund

Each year, parents, grandparents, alumni, faculty, staff and friends come together through the **Annual Fund** to support the programs and experiences that enrich the lives of our students. What matters most is that every family has the opportunity to participate and become part of the tradition of supporting Newmark students. Our goal is 100% parent participation. We want all our students to feel encouraged by their family and friends. When family members give to the annual fund, it is not only to the current class, but also to those who will be attending in the future. Please consider a tax-deductible gift this year.
