

PFE Volunteer Commitment Descriptions

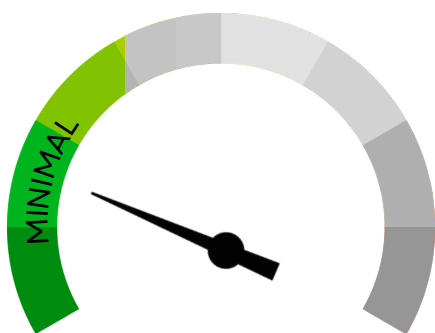

Join the PFE – There's a Place for You!

However much time you have, we'd love your help. Volunteer from the comfort of home, or come out to Liberty and get hands-on – whatever fits your schedule and interests best.

We have open positions ready for new volunteers, plus a few leadership roles opening up as current chairs prepare to step down.

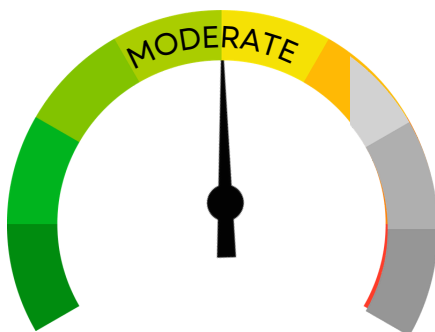

Take a look below at the different opportunities and the time commitment each one involves – there's truly something for every level of availability.

No experience needed, just a willingness to pitch in! Questions or ready to jump in? Reach out anytime at LibertySchoolPFE@gmail.com – we can't wait to hear from you.

MINIMAL

- Requires a small amount of time and effort
- Involves short-term or one-time volunteer events with straightforward tasks
- Ideal for those with busy schedules who still want to make a positive impact without a long-term commitment.

MODERATE

- Involves a more consistent and regular time investment, possibly up to a few hours per event
- Work with PFE officers, other volunteers and/or vendors for activities that may require some orientation.
- Perfect for those who can dedicate a portion of their time but cannot commit to a high level of involvement.

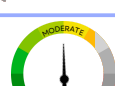

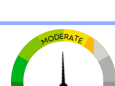

HIGHER

- Usually needs a more regular time investment, often involving additional responsibilities
- Participate in events that have highly involved projects, events or duties
- Suitable for individuals who want to be more involved with the school and would like to lend more time and effort for one or more events.
