Car Rider Arrival and Dismissal Directions

We will assume that your child is riding District transportation unless you send a note with your child indicating otherwise. Please indicate if the change is permanent.

Car Rider Directions

Please read the following tips and directions to help us safely, seamlessly, and quickly conduct arrival and dismissal. We thank you in advance for your patience and cooperation.

AM (8:15-8:45) Student Drop-Off:

- Cars should use the North entrance and drop children off at the side lobby doors by the cafeteria. ***Please do not leave children outside the school unattended prior to 8:15.**
- **If for any reason your child cannot unload independently on the right side of the car, please skip the line and park in the parking lot and walk your child to the staff helping by the doors.**
- Staff will be outside directing about ten cars at a time into the loop area, we ask that you follow directions and pull all the way up to the end of the loop. **DO NOT** pass a car in front of you in the loop.
- Quick unloading: Please have students ready to **independently** unload, students should already have items in hand and be ready to exit the **right side** of the vehicle. **DO NOT** permit students to exit out the left side of the vehicle. If for any reason your child(ren) is not ready to unload when it is time for the group of cars to drive from the loop, please drive to the parking lot and walk your child(ren) to the side doors.
- Please understand that many are dropping off students and going to work, so we ask that everyone is respectful and helps to keep our drop off line moving and safe.
- **If arriving after 8:45 am**, you must park in the front of the building and bring your child(ren) into the front (blue) doors.
- **If arriving after 8:55 am,** students will need a note explaining the reason for tardiness.
  ***Excused reasons for tardiness are documented in the Family Handbook on our website.

PM Student Pick-Up

All students must have a written note from home to be picked up from school.

- At the start of the year, if your student is going to be a regular car rider, please send a note to inform us of your plan. We will issue a sign that you will show to expedite the process.
- If your student will be a car rider on a specific day, please send a note in the morning and include the name/relationship of the person picking up your child. Driver's license should be ready for proof of identification.

Dismissal begins at 3:30 pm. Students being picked up will be called to the Cafeteria Lobby. When picking up children, parents/guardians should park in the left side lot and wait outside the double doors. A staff member will be in the Cafeteria Lobby with the list, compiled daily based on student notes received from home, and will unite you with your student.

♦ Important: the office must be notified by 2:15 pm of any changes to a student's dismissal, otherwise dismissal changes cannot be guaranteed. *Also, please note, all early dismissals must occur prior to 3:15 pm.*

Tips:

- Regular pick-ups, please display your school issued sign to help expedite pick-up.
- Occasional pick-ups, please have driver's license in your hand to show immediately.
- Once Central staff has matched you up with your child please go directly to your car and open up a parking spot for other waiting parents.
