## CLUB DESCRIPTIONS

**Chess, Games and Lego Club:** A returning favorite! Calling all students who love to play games. Socialize with friends while you create and complete Lego projects, play board and card games, and hone your chess skills.

**Crafty Crew Club:** A new exciting club with our new art teacher Ms. Holston. Create something new every week! Students will explore fun mediums like air-dry clay, jewelry making, and more, with guided projects that leave plenty of room for their own creativity and personal style. No two creations will be exactly alike!

**Make & Munch Club:** Where creativity meets delicious fun! Students will make tasty treats, tackle fun crafts, and explore their creativity through hands-on projects. Come ready to create, snack, and have fun with friends!

**Pages & Projects Club:** Turn the page, then bring the story to life! Students will enjoy a fun seasonal or themed book, followed by a creative craft inspired by the story. Each week brings a new adventure to read, create, and share.

**Ready, Set, Play! Club:** Get ready to run, jump, kick, throw, and have a blast in Ready, Set, Play! Students will enjoy a variety of sports and games, including basketball, soccer, kickball, volleyball, t-ball, and TES favorites like Gaga. Whether you're new to sports or already love to play, everyone is welcome!

**Rising Notes Club:** Attention all 4th graders- Interested in joining the middle school band? Ever wonder what it's like to play a trumpet, flute, or even the drums? Here is your chance to try out lots of different instruments in a fun, hands-on way. You'll learn the basics, make music with friends, and get a head start on joining the OTS band next year. No experience needed -just bring you curiosity and love of music! \*This club is open to 4th graders only.

**Theater Club:** It's curtain time and here we go! Discover the excitement of acting, karaoke singing, storytelling, and performing on stage. Students will build confidence, make new friends, and use their imagination while learning fun theater skills through games and activities. Bring your creativity and enthusiasm, and be ready for the time of your life!
