SPC Career Fair 2026

WEDNESDAY
SEPT. 16
4 P.M. – 7 P.M.

Epicenter at St. Petersburg College, 13805 58th St. N Clearwater, FL 33760

St. Petersburg College (SPC)
is hosting a career fair to find
dedicated, talented candidates
who would like to learn more
about a career at SPC.

**Career fair attendees will have the
opportunity to:**

- Meet with Hiring Managers from various departments
- Learn more about our career opportunities and career paths
- Explore our dynamic benefits working at SPC
- Attendees are encouraged to bring a current resume or vita and unofficial copies of academic transcripts.

APPLY ONLINE TODAY!

**Currently recruiting for Full-time
positions in:**

- WorkForce Education
- Business Services/Accounting and Grants
- Student Affairs
- Library and Learning Resources
- IT Desktop Support
- Custodial and Landscaping
- Security Officers
- Skilled Trade Positions - HVAC and Technicians
- Full-time Teaching Positions
 - Collegiate High School Teachers
 - Nursing Faculty
 - Vet Tech Faculty
 - College of Health Sciences

And more....

Benefits for Full-time SPC employees include:

- 12 paid vacation days every year
- 28 paid holidays, including the full week of Thanksgiving, the weeks of Christmas and New Year, and a full week in the spring
- 12 paid sick days (4 for personal necessity) to support you and your family's wellness
- Single health coverage as low as \$15 per month and family coverage as low as \$65 per month
- SPC participates in the Florida Retirement System (FRS), one of the few places that still offers a guaranteed lifetime pension.
- Up to 18 credit hours of tuition waiver per year for you, worth about \$2,200, to earn credits, certificates, or a degree while you work.
- Up to 18 credit hours per year for each of your children under 24, about \$2,200 in tuition value per child.

State-sponsored foundational employability skills training and credentialing solution.

Online career-contextualized training develops the foundational skills required by most jobs, across industries. The training is self-directed, self-paced, and accessible from any computer or tablet any place, anytime.

Soft Skills Training teaches employability and social skills in a career context. Modules include Communicating Effectively, Conveying Professionalism, Promoting Teamwork & Collaboration, and Thinking Critically & Solving Problems. The courseware offers a blended learning approach with offline project-based activities and capstone projects to supplement the interactive digital curriculum.

Digital Skills Training is a self-paced course that provides learners with the skills needed to navigate technology in the workplace. Modules include Computer Operations, Internet Browsing, Digital Communication, Digital Documents, and Digital Security.

Academic Employability Skills Training offers a series of career-focused modules to improve learners' readiness in foundational academic employability skills including math, reading, and data. The courseware can be self-paced or delivered by an instructor, and all content addresses core skills required for entry into all 16 national career clusters.

Each training module contains a course component that includes instructional content, a knowledge-check quiz, and practice exercises that allow learners to apply the skills to real life, practical situations. To complete each module, learners take a posttest to recap what they've learned.

The posttest at the end of each module measures mastery of content. When the learner scores 80% or greater on the posttest, they earn an eBadge and advance to the next module. When learners have completed every module and earned their eBadges, they earn a Certificate of Completion.

Did you know...

Learners who successfully complete the training courseware can access digital versions of their eBadges and Certificates of Completion. These digital badges can be shared on social media, added to an email signature, included in an online portfolio or resume, and more.
