Character Corner

We are spending a lot of time in the classrooms talking about good habits!

One habit we have focused on this year was kindness. Kindness can be defined as doing favors and good deeds for others; helping them; taking care of them.

Please take some time to discuss these terms with your child.

It is valuable for children to be practicing these habits at home.

Service Run

At Central, we have learned how courage and kindness go hand in hand. To show kindness to our community, your children will be participating in a Service Run on Friday, October 2nd to raise money for the Alzheimer's Association. Families are welcome to support by volunteering, pledging, cheering, or running. Thank you for encouraging your children in sharing kindness and supporting the Alzheimer's Association!
