

We are offering a new group for Parents and Families!

Positive Solutions for Families (PSF) is based on the Pyramid Model, which is an approach that helps adults support children's social and emotional development.

WHO SHOULD ATTEND? *Anyone who is a parent, grandparent, guardian, or other caregiver of a young child.*

WHAT WILL WE DO? *Together, families explore ways to support children's feelings, behavior, and relationships. Participants leave with easy-to-use ideas and strategies that help children develop the skills they need to be successful at home, in school, and in life.*
