TEACHER CONSENT FORM

DIRECTIONS: Participation in ASB activities during instructional time requires prior written teacher consent, student responsibility for form completion, and advisor enforcement. Student must present the consent form to all current teachers before the activity. **Teachers are to** ensure no "F" grades in any class or "D" grades in college-prep classes, as teachers may deny consent to participate in activity. **Advisors must not permit** students who have not obtained teacher consent to participate in the ASB activity. Turn in completed form to ASB Executive Secretary **prior to activity** to obtain clearance to participate in activity.
