## **Build it. Code it. Battle it!**

Robot Academy's LEGO BattleBots and Robot Missions after-school class is coming to Worthington elementary schools this fall: Evening Street, Worthington Estates, Liberty, and Worthington Hills, plus Bluffsview (SOLD OUT) Grades K-5 (1<sup>st</sup> - 5th at Evening Street) build a real LEGO robot with motors, sensors, and gears, bring it to life each week with kid-friendly coding, and take on a new challenge - Musical Jousting, Robot Flag Football, and the BattleBot main event! Kids work in their own grade group with age appropriate activities, no experience is needed!
