

Mental health care for every Arizona family.

High-quality, virtual therapy for the whole community — **completely free to the district.**

Our Services

Student Therapy

Individual therapy for students in grades 3 and above.

Adult Therapy

Individual therapy available to parents, guardians & staff.

Family Therapy

Therapy for family members — siblings, parents, and more.

Medication Management

Psychiatric evaluations & ongoing med management.

Why Districts Choose Marble

✓ Flexible Scheduling

After school & weekends appointments minimize disruptions to the school day.

✓ No Waitlists

Immediate access to care ensures families begin services when they actually need it.

✓ Insurance Accepted

Families with AHCCCS pay \$0 for care; low copays for commercial plans.

"We've partnered with Marble for multiple years. Our students across the district are getting mental health support significantly *faster, easier,* and in a *more supportive* manner than ever before — and the results are visible."

- Student Services Manager, District 10, NY

Oversees a district that includes 84 schools & serves 42,000 students
