Meeting summary

Quick recap

The meeting was the first Horizon SAC/HIT meeting of the year, led by Bryant Shaw HHS, with introductions from team members including Matt, Mark, Anne, Kristy, Maggie, Jack, Jessica, Amanda, and Christa-Indigo. Student government representatives Maggie and Jack presented upcoming homecoming week events, including Powderpuff, spirit days, tailgate, and the need for chaperones at the dance. Bryant Shaw HHS provided updates on school culture, participation in sports and activities, facility upgrades, and the Capturing Kids' Hearts initiative. He reviewed district and school data, including the School Performance Framework (SPF) score, achievement and

growth metrics, AP exam results, and workforce readiness. The group discussed major improvement strategies, with questions from Jessica and Mark about mentorship programs, student voice, teacher retention, and discipline data. Bryant Shaw HHS explained efforts to reduce exclusionary discipline, build relationships, and use data to inform instruction and support systems. The conversation ended with appreciation for the team's work and a commitment to ongoing collaboration.

Summary

HIT Meeting and Building Alarms

The meeting was the first HIT meeting of the year at Horizon High School, with participants introducing themselves and welcoming new principal Dr. Shaw. The meeting began around 6 PM, competing against other Monday night activities, and was recorded due to ongoing building alarms that were expected to continue until 9 PM. Multiple participants, including Bryant Shaw HHS and Matt Fiorenza, mentioned the building alarms and evacuations, though the cause was not clearly established in the discussion.

Homecoming Week Planning Discussion

Bryant Shaw HHS, Maggie, and Jack discussed upcoming homecoming week activities including a Powderpuff game on Wednesday the 23rd, spirit days throughout the week, and a tailgate event on Friday from 4:30 to 6:00 PM before the homecoming game at 7:00 PM. They announced that chaperones are needed for the homecoming dance on Saturday in two time slots, with interested parties asked to email Ms. Boies. The team also mentioned a Friday morning assembly and encouraged students to participate in spirit days and vote for homecoming royalty.

HHS Performance and Improvement Update

Bryant Shaw HHS provided a comprehensive update on the school's performance and improvement strategies. Key highlights included over 500 students registered for fall sports, successful completion of the 10th annual All Heroes event, and HVAC and fire panel upgrades completed over the summer. The school achieved an SPF (School Performance Framework) score of 76.9, outperforming neighboring schools, and showed strong performance in AP exams across multiple subjects including calculus, foreign language, and biology. The team reviewed major improvement strategies including establishing mentorship programs and implementing teacher-student threshold meetings, with plans to continue using Capturing Kids' Hearts processes and leverage PLCs (Professional Learning Communities) for collaboration.
