Deadline to reapply for free school meals Sept. 24

Qualifying families can receive free or reduced-price breakfast and lunch for their students. Last year's applications will only be valid through Sept. 24. If a new application is not received by the deadline, your child will no longer be eligible for free meals.

Families can apply through their SchoolCafé account at [SchoolCafé](#). Paper applications are also available at school front offices or the Child Nutrition Office at 817.367.1310.

Changes to federal SNAP and school meal eligibility requirements may affect some families during the 2026–27 school year. Eligibility is based on federal and state guidelines, including household income and other factors.

If your family's circumstances have changed, we encourage you to complete a new application. A change in SNAP benefits does not automatically mean your child will no longer qualify for free or reduced-price meals.

For questions or help completing an application, contact the WSISD Child Nutrition at 817.367.1310. High school students eligible for free or reduced-price meals may also qualify for:

- Free college application fees
- Free tuition for UT On-Ramps Dual Credit classes
- Common App Fee Waivers
- Free ACT and SAT testing

WSISD seeking parents to serve on School Health Advisory Council

White Settlement ISD is seeking parents and community members who would like to serve on the district's School Health Advisory Council (SHAC).

The SHAC works to ensure that students have the knowledge and skills to develop healthy behaviors. It serves as an advisory council, providing recommendations for health education curriculum and instruction and ensuring that local community values are reflected.

This advisory group also addresses issues regarding health services, physical education, counseling and wellness, nutrition, drug and alcohol awareness, and more.

The SHAC will meet twice this year: Thursday, Oct. 23 and Friday, May 8 at 9 a.m. Interested individuals should complete the [School Health Advisory Council Interest Form](#) by Thursday, Oct. 16.

Mentor opportunities available through Mentors Care and Academy 4 Programs

WSISD has two opportunities for community members to make a difference in a child's life! through the Academy 4 and Mentors Care programs.

Academy 4 volunteers sign up to mentor a fourth grader at Blue Haze Elementary, Liberty Elementary and North STEAM Academy.

Mentors and students come together once a month for leadership activities, games, crafts and more! [Sign up](#) to become a mentor today!

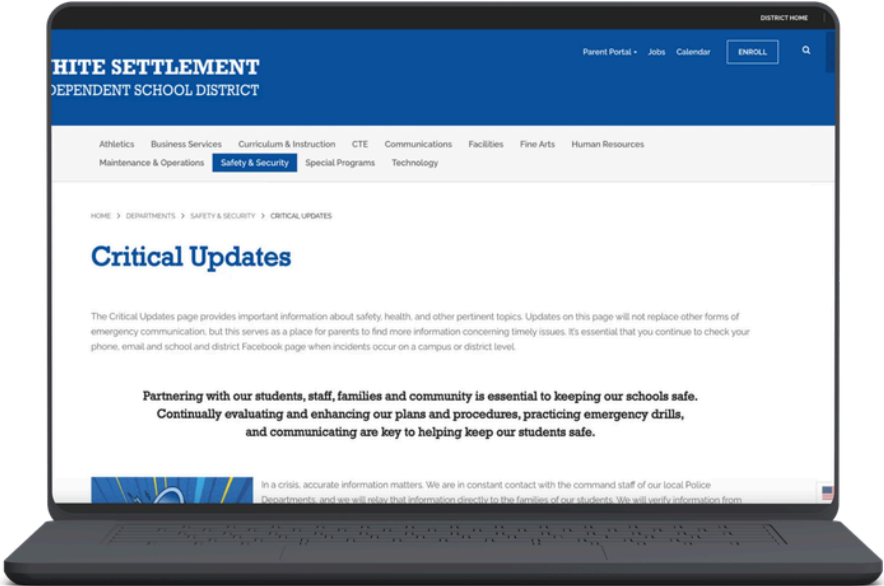

Mentors Care volunteers are paired with an at-risk student at BHS. They commit 1 hour a week to work with a teen after completing a 2-hour in-person training and a criminal history background check. The organization will provide talking points for the weekly meetings. Visit the [link](#) to sign up today.

WSISD Safety Protocols

Visit the WSISD Critical Updates webpage to learn about the district’s safety and communication protocols: Hold, Secure, Lockdown, Evacuate and Shelter. The webpage outlines what occurs during each scenario as well as the communication that families will receive. By learning what to expect during emergency situations, families can assist school officials in prioritizing our students' safety in the event of a crisis. Click [here](#) for more details.

In a crisis, accurate information matters. If a crisis occurs at your school, factual information will be delivered to you at the contact information you provided through Skyward/Gradebook. It's important that your cell phone is listed as your primary phone number, and it is up-to-date. Whenever a safety situation arises, school officials will communicate as soon as facts are available.
