

TUSKER TRACKS

A weekly, trunkated note from Dr. B

The Bronstein Brief

Happy Friday, Somers!

We had a wonderful first, full week back here in the Somers Central School District! We hope all students and families are settling well into their new routines, new classes and new schools.

As a reminder, schools are closed Monday, September 21st in observance of Yom Kippur.

Around the District

Officer Urizzo recently visited Mr. Arnett's 7th grade health class at SMS to talk with students about the dangers of driving under the influence.

In addition to discussing the serious risks and consequences of impaired driving, Officer Urizzo gave students a firsthand look at what they might experience during a traffic stop, helping connect classroom learning to real-world situations.

Thank you to Officer Urizzo for taking the time to educate our students and reinforce the importance of making safe, responsible choices behind the wheel.

Tusker Tidbits

This week, Somers High School students had the opportunity to explore all that SHS has to offer at the annual Club Fair! From academics and athletics to arts, service, leadership and everything in between, there was something for everyone to discover.

With so many ways to get involved, connect with classmates and pursue their interests, we love seeing our Tuskers find their place in our school community.

A big thank you to the students and staff who helped make this year's Club Fair a success!

Tusker Pride

Our Primrose students have been showing their pride in red, white and blue!

Last week, our school community wore red, white and blue to commemorate September 11th and honor the lives and legacy of those we remember. This week, students wore the same colors to celebrate Constitution Day and Citizenship Day and learned about the document and history that helps shape our nation.

Thank you to our students and families for helping us recognize these important moments together!

**WE ARE
HIRING**
