October 8-9Parent-Teacher
Conferences**October 20**

Catamount Field Trip

October 23

Western States Test

Field Day Lunches

Thank you so much for being understanding about our Field Day Changes. It has been rescheduled for October 7th. There will be a form set out for students to order a sack lunch again as we get closer to the event.

Hawk Quest

Our in-house Birds of Prey demonstration is coming up on October 1st! They bring four owls and one hawk to TCA and the kids will get an up-close view of these beautiful creatures. This is always a fun experience for the students, and they enjoy how it ties in with our literature book, *My Side of the Mountain*.

We Are Titans!

Field Day is October 7th from 8:30-11:00 am!
