Trip to San Juan, Las Piedras, Ponce, Loiza!

SUBJECT: Your student is invited – please RSVP

Dear families,

We're going to San Juan, Las Piedras, Ponce, Loiza in Summer 2027, and we'd love for your student to join us!

We're excited to tell you more about the trip we're planning with EF Explore America, our educational travel partner. Please be sure to register for this info session to be considered for this opportunity: <https://rsvp.efexploreamerica.com/zmm5hug>

When students travel, they expand their knowledge of the world around them, discover more about themselves, and grow more confident. These skills are critical for creating the global citizens of tomorrow, and we would love to have your student join us on this adventure.

In this info session, we'll talk about:

- How this experience will benefit your student
- What we'll see and do on our trip
- Everything that's included in this tour
- How your child can earn academic credit
- How we're keeping this safe and affordable
- How to enroll on this trip (before it fills up!) and get a limited time discount

Traffic in Front of the Building

In the front bus loop, multiple buses load and unloading. The handicap parking area has been relocated, permanent signposts installed, and No Parking and instructional signage added to communicate this loop is reserved for SPED drop-off and pick-up, with other families directed to Northwest Lane or the parking lot.

Unfortunately, we're still seeing parents unload on the inside of the loop, with students crossing in front of traffic and between buses. This continues to create some very unsafe situations and makes it difficult for buses to move through the area.

Please help keep this area clear and drop off your student in the front parking area or the rear drop off area. Much appreciated! Also, just a reminder that the drive-in front of the building between the parking lot and the school is a one-way drive from southeast to northwest. Thank you for your cooperation!

Please see our [KMS WEBSITE](#) for more information, including forms, PowerSchool info, Handbooks, and more!

Dates to Remember!

Wednesday, September 16 - Early Release, 1:30

Wednesday, September 23 - Early Release, 1:30

Wednesday, September 30 - Early Release, 1:30

Wednesday, October 7 - Early Release, 1:30
