Kinder Highlights

What's in the bag letter: Ee

Signups for *parent/teacher conferences* taking place October 8-9th will come out September 25th.

Please read the Mother Goose information sheet sent home. Decide on a nursery rhyme your child will memorize and recite Tuesday, October 6th. Don't forget to dress up! There will be a food sign-up coming out for our party!

As part of the events scheduled, grandparents will be given a wonderful way to "leave a legacy" at our school. Grandparents may stop in front of the library with their grandchild and choose a book off the "Adopt-a-Book" tables to "adopt". We will place a personalized bookplate with your grandchild's name on the inside cover. The book will be checked out and delivered to your grandchild in their classroom the week after Grandparent's Day. We ask for a minimum $10.00 donation per book adopted (Cash, Credit Card, or Check to "TCA"). An option for grandparents unable to attend, you may donate through the following link https://secure.qgiv.com/for/adopt-a-booknorth/ and your grandchild will pick out a book to adopt on Grandparents' Day. All proceeds go to purchase new library books for our library. Thank you for your generosity!

Please contact Mrs. White, Elementary Librarian, with any questions. bwhite@tcatitans.org
