

BRIDGE BUILDERS FOUNDATION

LONG BEACH SATURDAY STEM CAMP

Bridge Builders LB Saturday STEM Camp is an eight-month, tuition-free Saturday program that equips students in grades 5–8 with the foundational skills, academic confidence, and cultural grounding essential for success in STEM.

Rooted in equity and purpose, the program empowers underrepresented youth to see themselves as capable, confident leaders. Through creative, culturally responsive instruction, students reclaim STEM as a field where they are not only seen but also where they lead.

For more information or enrollment, scan the QR Code or visit www.bridgebuildersla.org.
