* Transfer Credits/General Notes:

- EVIT General Education Electives courses must fit the specific requirements of select CSU General Education categories to receive transfer credit. EVIT General Education courses that do not satisfy CSU's General Education categories will be reviewed for Open Electives credit, if applicable. Math and English Composition courses must earn a grade of C or higher.
- CSU degree courses are primarily offered in three-credit-hour increments; additional CSU coursework or eligible transfer credit may be required to meet total degree requirements.
- Transfer credit will be awarded based on CSU degree requirements at the time of enrollment, current transfer credit policies, and applicability to the student's degree plan, all of which are subject to change. The transfer credit total shown assumes maximum EVIT general education transfer toward CSU general education requirements; actual credit awarded will be based on successfully completed EVIT coursework that has a CSU equivalent and may be more or less than the example shown, which could affect the number of credits left to complete at CSU.
