What is Title I?

Title I is a federal program that provides extra funding to schools. We use these resources to fund certified staff, buy high-quality learning materials, and provide extra support to ensure every student succeeds.

Our Academic Standards

The Goal: We teach using Michigan's official state academic standards.

The Lessons: Our core curriculum focuses on deep understanding in reading, language arts, math, science, social studies, and social-emotional well-being. Also provided are woodshop, industrial arts, art, gym, music/band, drama, dual leaning, work-based, self-study, and more!

Progress: Progress is measured using formative & summative assessments, and assessments to determine strengths and areas of need. We use this data to help guide instruction and elevate your child's abilities.

How Funds are spent:

Every dollar of our Title I budget is tied directly to improving student achievement and our School Improvement Plan. This year, our funds pay for:

Quality People: to teach, to reduce teacher-to-student ratios, to help with SEL or behavior, teaching aides, and Title I Interventionists

Tools: updated assessments, portions of curriculum, learning aids, tools, and differentiated activities

Family Events: A special piece of our budget is saved just for you! Family nights, engagement tools, informational pamphlets or packets, and learning activities all can be funded or supplemented.

Your Rights as a Parent:

***You are your child's first and most important teacher*!** Under federal law, you have absolute rights in our school:

Right to Know: To know about the title I program and funds, to know the professional qualifications of your child's teachers or paraprofessionals at any time.

Right to a Voice: Your input is encouraged and helps to make unified decisions regarding how funds are spent, family engagement opportunities, and Title I programs are run.

Right to Partner: You can join our school improvement teams to help plan for the future and help form programs that grow success for all children.
