

Good Evening Rialto High School,

This is your Principal, Dr. Sweeney, with your Sunday phone call.

First, attendance always matters. First period starts at 8:40am. Make sure you drop off or start walking well before the first bell at 8:33 am. "Step-Up" to make up both unexcused and excused absences is this Saturday. Sign up before we call you out.

Rialto High School ASB wants you to know that Homecoming is coming in October but Homecoming dance tickets go on sale on Monday. Also, if you are a senior and want to be king or queen or you are a freshman through junior and want to be prince or princess, nominations are due Wednesday.

Also, this Wednesday from 4-6 pm our African-American Parent Advisory Committee and Community Schools office are hosting an Amazon giveaway in the school parking lot. Sponsored by the Young Visionaries we will have household and other essential items available for free.

Sports for the week. Monday is flag football versus Kaiser. Tuesday is girls' volleyball versus Miller. Friday is girls' volleyball versus Eisenhower and football versus Tahquitz.

That's all for the week, Rialto. Have a great week and remember, our instructional focus is critical reading and writing across the curriculum and once a knight, always a knight.
