

Dear Spring Hills Families,

The air is getting crisp, pumpkins are on display, and fall is right around the corner. As we settle into our fall routines, we want to encourage you to make reading and practicing math facts a daily habit at home. Whether it's a shared bedtime story, exploring a new chapter book together, or spending a few minutes reviewing math equations, setting aside just 20 minutes a day for these core skills will make a wonderful difference in your child's growth!

Ms. Karen Petelle~SHS Principal
