Lynch Hill School Primary Academy Newsletter

Issue: 2 (26-27) *Aim High, Work Hard, Care Deeply* **18th September 2026**

A message from Mrs Tomlinson…

We are only two weeks into the new school year, yet democracy is already thriving at Lynch Hill! Following a series of passionate and persuasive speeches, pupils across Key Stage 2 have voted for two representatives from each class to serve on our School and Eco Councils for 2026-27.

Our newly elected councillors have proudly received their badges and have already made an excellent start, sharing thoughtful ideas and suggestions at their first meeting of the year. We look forward to seeing them play an important role in driving forward school improvements, our sustainability and climate action plans, as well as helping us make the most of our Energy Sparks membership. Congratulations to all our newly elected council members. We know you will be fantastic ambassadors for your classes and our school community.

Democracy, alongside the other British Values, is woven throughout life at Lynch Hill from Nursery to Year 6. These values are not confined to RE and PSHE lessons; they need to be embedded in our daily interactions, learning experiences and school culture. This week, it has been wonderful to observe our Nursery and Reception children building friendships, celebrating diversity and developing a strong sense of belonging through community-building circle times and outdoor games. These experiences naturally nurture mutual respect and tolerance. Through our oracy framework, pupils across the school are also developing the confidence to express their views, listen carefully to others and engage in meaningful discussions, helping them to embrace individual liberty while respecting different perspectives. Together, these experiences play a vital role in preparing our children for the next stage of their education and for life beyond school.

A number of parents have spoken to me this week about homework arrangements, and I appreciate that there may have been some uncertainty regarding expectations and where tasks can be accessed. This year we are making greater use of Purple Mash, where half-termly homework task sheets for all Key Stage 1 and Key Stage 2 classes have now been uploaded. The same information is now being emailed to parents. We hope this provides greater clarity about what children need to complete and when but if you are in any doubt, do speak to the class teacher. Thank you, as always, for your support in helping your child establish positive homework routines. We also welcome your feedback as we continue to develop our approach.

As mentioned previously, we are celebrating our 70th birthday this year (the school, not me!) and, before the summer break, we began selling a range of special anniversary merchandise. Sales will continue from next week, with items available to purchase at the Breakfast Club doors at the end of the school day on Mondays and Thursdays.

Finally, a gentle but important reminder regarding parking at the start and end of the school day. I greatly value the opportunity to speak with children and parents on the gates each morning and afternoon, whether to celebrate successes, answer questions or simply connect with our school community. Unfortunately, some of this time is regularly spent addressing unsafe parking, particularly when the weather is less favourable. Please remember that the double yellow lines and school zig-zag markings must remain clear at all times, and vehicles should never block Cecil Way. We are fortunate to have alternative parking options available, including at the Chicken Ranch, and I would be grateful for everyone's support in ensuring that the area around the school remains safe for all members of our community. Together, we can make a real difference.

Thank you for your continued support. I wish you all a restful weekend and look forward to welcoming everyone back next week.

Lindsey Tomlinson

Well-being: Staying Healthy

At Lynch Hill School, we have 6 Personal Development Strands which underpin children's learning and development and enhance well-being. We would love to co-work with families, so these strands are shared in homes too. Our second strand is *Staying Healthy:*

We believe that the health and well-being of our pupils is paramount if they are to learn well and grow into healthy and active citizens. We promote the physical and mental well-being of our pupils through a range of activities which supplement our curriculum, ensuring that we go beyond the expected and provide our pupils with a rich set of experiences and enrichment opportunities.

Some key points for consideration to stay healthy in your home:

- Move every single day. Exercise looks different for different ages and abilities, but ensuring an active lifestyle suited to the individual is essential for staying healthy.
- Go outside. Walk to school, go to a playground, explore the woods, walk to the shops, go in a garden or community space to read. Natural daylight helps regulate emotions and sleep rhythms.

Lynch Hill School Primary Academy Newsletter

Issue: 2 (26-27) *Aim High, Work Hard, Care Deeply* **18th September 2026**

- Drink water. Our minds and bodies need it to function well!
- Eat a range of foods, including fruit and vegetables and fresh foods.
- Consider off-line entertainment. Read, free play, board games, drawing, creating, collecting, chores, all keep us healthy.
- Give your children responsibilities, chores to do and ways to help contribute.
- Get enough sleep (both children and adults).
- Look after your mind and talk to someone if you feel stressed or low.

Free School Meals

The new eligibility criteria for free school meals came in to affect from the 1st September 2026.

You will be able to claim free school meals for your child if you receive one of the following benefits:
• Universal Credit (Regardless of income)
• Income Support
• Income based Jobseeker's Allowance
• Income related Employment and Support Allowance
• Support under Part VI of the Immigration and Asylum Act 1999
• The guarantee element of Pension Credit
• Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16190)
• Working Tax Credit run-on - paid for four weeks after you stop qualifying for Working Tax Credit

To apply for your child to receive free school meals, you must complete the form via the link below.

Free School Meals Application Form

A big thank you!

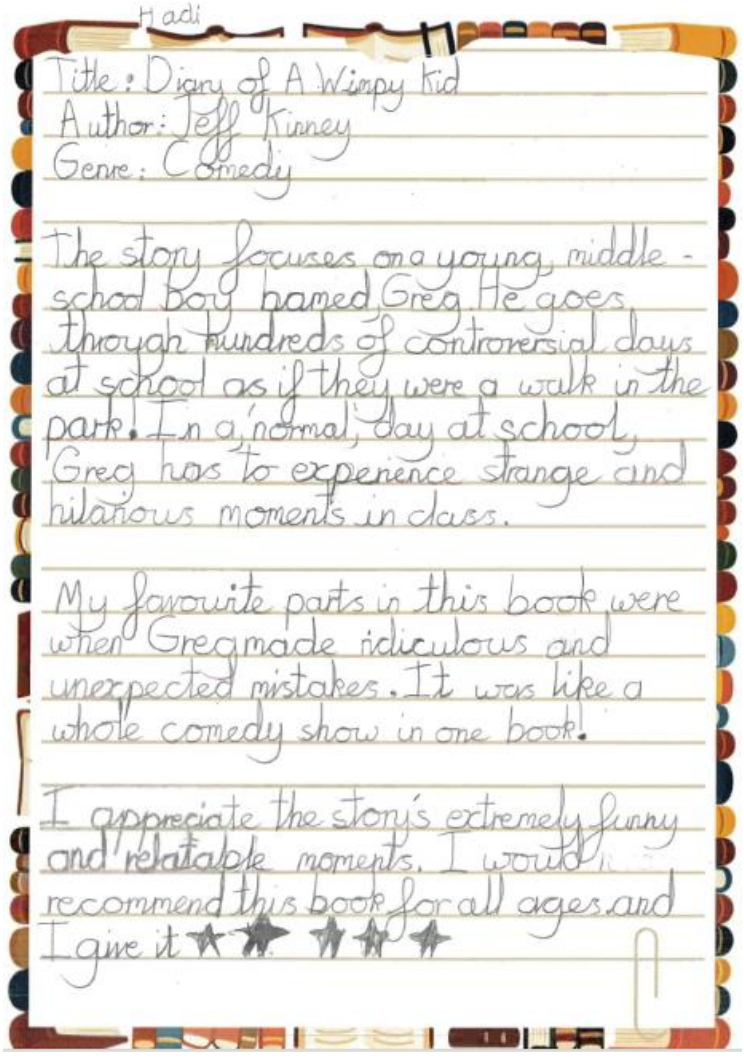

We wanted to say a huge thank you to Emilia B's (Y4) family for their very generous donation of a coffee machine (and pods!) for our staffroom. All of the staff are incredibly grateful, and it was put to use straight away! Thank you for thinking of us.

PRESENT Value of the Week: RESILIENCE

The Cozy Reading Corner

At our school, we want to encourage reading across the whole of the school community – and that includes our parents and carers! This term we will continue with our book reviews from/for our children. This week we have a review from ***Hadi in Year 5***

Hadi

Title: Diary of A Wimpy Kid
Author: Jeff Kinney
Genre: Comedy

The story focuses on a young, middle-school boy named Greg. He goes through hundreds of controversial days at school as if they were a walk in the park. In a normal day at school, Greg has to experience strange and hilarious moments in class.

My favourite parts in this book were when Greg made idiculous and unexpected mistakes. It was like a whole comedy show in one book!

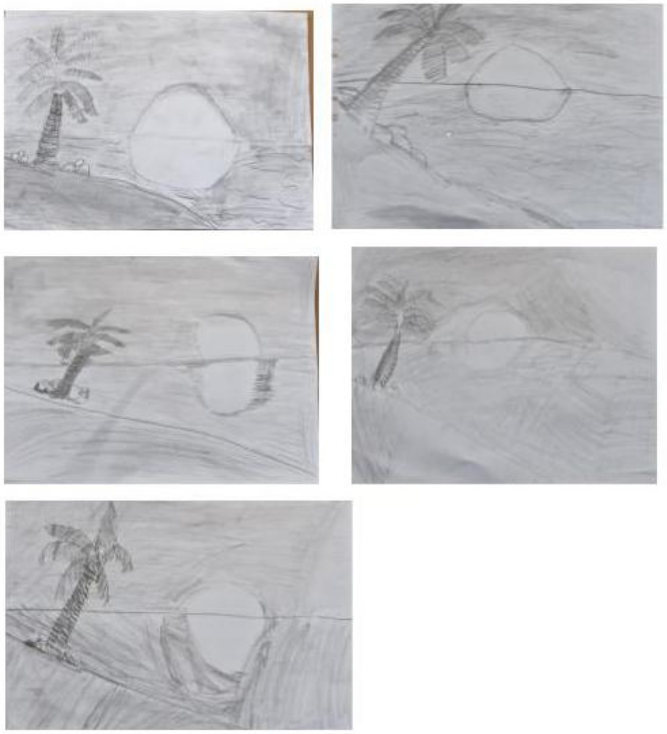

I appreciate the story's extremely funny and relatable moments. I would recommend this book for all ages and I give it ★★★★★

Year 4 Drawing Club

Our talented young artists in Year 4 Drawing Club have recently been learning how to draw landscapes, beginning with a beautiful sketch of a sunset. They explored basic shading techniques, carefully considering the position of the sun to create light and shadow within their work. We are incredibly proud of the effort, creativity, and determination they have shown throughout this project, and we cannot wait to see what wonderful drawings they create next! ✨ 🎨

Urgent – Cardboard tubes needed!!

Year 1 are in *urgent* need of cardboard tubes for their new Design and Technology unit. If you have any kitchen roll tubes, wrapping paper tubes, tubes from maps, artwork, etc., please bring them in to school before the end of September. Thank you!

We are a Nut, Seed and Pineapple Free School

Please make sure that you do not give your children nutty bars, seeded bread, Nutella, Kinder Bueno or any other item containing nuts in their lunch box. We have a number of children and staff with life threatening allergies to nuts, seeds and pineapple, and even touching the hand of a child who has come in to contact with nuts, seeds or pineapple could be fatal.

No nuts, no pineapple + no seeds = no problem.

Please note that all Friday meal debts will not be on SchoolMoney until Monday afternoon.

Childcare Vouchers

Please be aware that our school can only accept childcare vouchers for Funzone, Breakfast club, after school clubs and the Nursery midday provision. We cannot take vouchers for trips, instrumental lessons, or meals/lunch cards. Thank you for help in this matter.

Upcoming Events

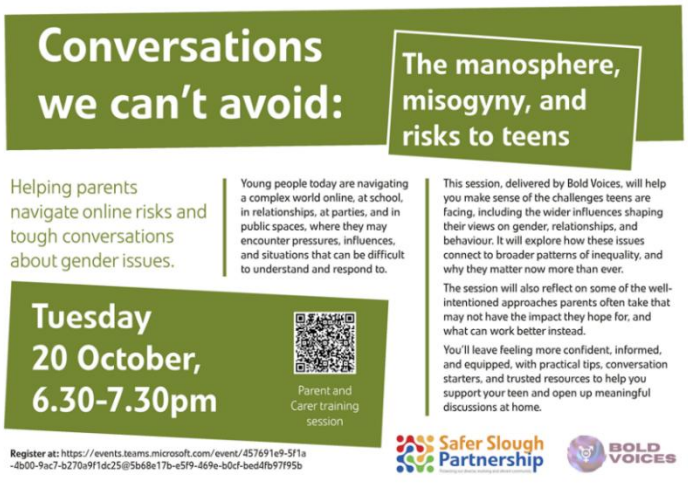

Autumn Term

Term starts on: Thursday 3rd September 2026
Term ends on: Friday 16th October 2026
October holiday: Monday 19th October 2026 to Friday 30th October 2026
Term starts on: Monday 2nd November 2026

www.slough.gov.uk
Slough Borough Council

Starting Secondary School in Slough 2027/28

Apply online at www.slough.gov.uk/school-admissions

It is important that you take time to read this information which outlines the application process for a year 7 school place.

Dear Parent/Carer,

If your child was born between 1 September 2015 and 31 August 2016, and you live in Slough, you can now apply online for a transfer from primary (Year 6) to secondary school (Year 7) for September 2027.

The Citizen Portal on the council website is now open to receive applications. There are clear and simple prompts to guide you through making your application.

You will also find the ***Starting secondary school booklet*** on the council website. The booklet contains a wealth of information to help you choose the right schools, make an application and understand how the application process works. It provides a profile of all of Slough secondary schools alongside information about admission arrangements.

Who should apply?

Current Year 6 pupils - children who will be transferring from primary (Year 6) school to secondary school (Year 7) in September 2027.

When do I need to apply?

You can apply anytime from 1 September 2026. **To receive an offer of a school place on national offer day, you must submit an application by 31 October 2026.**

Please note: In order to maximise your chances of being offered one of your preferred schools

- **You MUST submit an application with any required documents/ supplementary forms on time.**
- **Your child MUST meet the admissions criteria of the school to be offered a place.**

and there is

- **NO automatic transfer from a primary into a secondary school.**
- **NO automatic offer of a sibling place without making an application.**

Apply online at www.slough.gov.uk/school-admissions Closing date to apply 31 October 2026

Changing your preferences or changing the order after submitting an application

You can make any changes to your application before the closing date. However, if you wish to change your preferences after the closing date or you wish to change the preference order, all your preferences would be considered as late applications and considered after all on-time applications.

It is possible to change your preferences after your application has been downloaded by the Admissions Team but you will need to complete an amendment form which you will find on the council's website.

What happens if I miss the closing date?

For the avoidance of doubt, all applications submitted and received after the closing date (31 October 2026) will be deemed as late applications. They will be considered after those that are received on time and after the first round of offers have been made.

How do I apply?

If you live in Slough you MUST apply through Slough Borough Council. The easiest way to apply is online.

Go to www.slough.gov.uk/school-admissions and follow the instructions on the screen.

If you do not have internet access at home you can still apply online at your local library or at the council offices.

Who can make the application?

Applications must be made by a parent or carer who holds legal parental responsibility for a child. Only one application should be made per child.

Contact the Admissions Team

If you would like more information about the school admissions process or the admission arrangements, please read the 'Starting secondary school' booklet

Or visit: www.slough.gov.uk/school-admissions

Email: _admissions.helpline@slough.gov.uk

Contact Centre:
Telephone: 01753 475111 (Monday to Friday)
Please note that the School Admissions lines open as and when needed around admissions time.

Best wishes,

Sabi Hothi
