- **TSI & Industry Readiness:** Increase the percentage of graduating students who are Texas Success Initiative (TSI)-ready and hold an industry-based certification (IBC) to 26% by the 2026-2027 graduation cycle.
- **Balanced Budget:** Superintendent Mike Miles aimed to balance the 2026-2027 budget by saving $15 million through closing 12 underutilized schools and saving $35 million via central office job cuts.
- **Special Education (SPED):** Implement SPED Success Programs with smaller class sizes, reduced age ranges, and increased staff training.
- **Teacher Compensation:** Roll out a pay model providing raises of up to $6,000 annually for thousands of teachers.

School-Parent Compact

WHAT IS A SCHOOL-PARENT COMPACT?

- It outlines what the school, the parents, and the students will do to support learning.
- A partnership tool: It helps build a strong connection between home and school.
- A communication guide: It stresses the need for regular, two-way contact between teachers and families.

JOINTLY DEVELOPED WITH PARENTS/GUARDIANS

The parents, teachers and staff are welcome to meet with us every year, so that we may review the parent compact, the campus improvement plan and the parent and family engagement policy. Teachers also provide curriculum nights where various learning strategies are shared. This will help us work in unison to support learning goals and make students successful. If you would like to provide any comments, concerns or just have a question, please reach out to Mrs. Juarez at Ljuarez2@Houstonisd.org or call 713-228-3408
