

International Summer School

Learn, Explore, Achieve, Connect

Felsted

Welcome to Felsted

Join students from around the world for an exciting and inspiring summer at Felsted.

Set in the beautiful English countryside, halfway between London and Cambridge, Felsted offers the opportunity to experience life at a traditional British boarding school while enjoying a modern, international programme designed to inspire confidence, curiosity and ambition.

LEARN

Develop your knowledge. Build your confidence. Expand your horizons. Choose an academic pathway that challenges and inspires you while developing your English, communication skills and global understanding.

EXPLORE

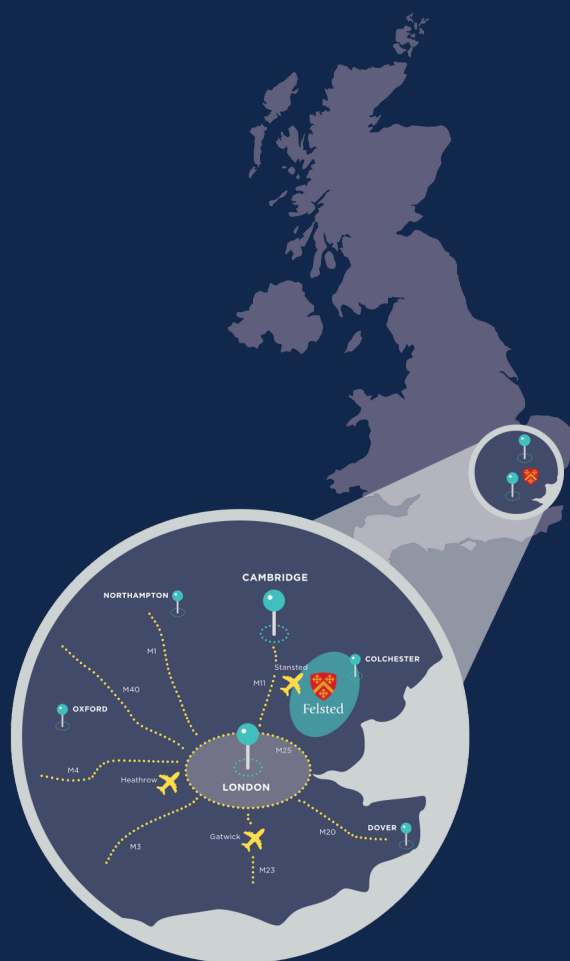

Discover new passions. Try new things. See the world differently. Explore your interests through our exciting range of specialist academies in Sports, Arts, STEM and International Business.

ACHIEVE

Set yourself a challenge. Develop new skills. Discover what you are capable of. Challenge yourself in the classroom and beyond. Build confidence, develop independence and take pride in everything you achieve.

CONNECT

Make friends. Share experiences. Become part of a global community. Meet students from around the world, experience new cultures and create friendships and memories that will last long after your summer at Felsted.

Learn with Purpose

Your academic programme is at the heart of your Felsted Summer School experience. Our experienced teachers create engaging and supportive lessons where students are encouraged to participate, communicate, share ideas and develop confidence.

Choose the academic pathway that is right for you:

ENGLISH LANGUAGE

Develop your English through engaging and interactive lessons designed to help you communicate confidently in an international environment.

Improve your skills in:

- Speaking and listening
- Reading and writing
- Vocabulary and grammar
- Pronunciation
- Communication and collaboration

Learn alongside students from around the world and use English every day, both inside and outside the classroom. Our supportive learning environment encourages students to ask questions, share ideas and build the confidence to use English in a wide range of situations.

ADVANCED ENGLISH WITH GLOBAL STUDIES

Designed for students with a higher level of English, this pathway combines advanced language development with the exploration of important global themes.

Develop your:

- Advanced communication skills
- Critical thinking
- Research skills
- Presentation skills
- Confidence in discussion and debate
- Understanding of global issues

Explore different perspectives, discuss important ideas and develop the confidence to express your own views. Learn alongside an international community and discover how language can help you understand and engage with the world around you.

Explore your Passions

Our specialist academies give students the opportunity to explore their interests, develop new skills and discover new passions.

Choose from four exciting academy specialisms:
Sports, Arts, STEM, International Business

Whatever your interests, there is an opportunity to try something new, challenge yourself and discover what inspires you.

SPORTS

Develop your skills, improve your confidence and enjoy the excitement of sport.

Whether you already love sport or want to try something new, our Sports Academies encourage teamwork, resilience, commitment and confidence.

A range of Sports Academies will be available to choose from, for example: Football / Tennis / Hockey / Swimming / Basketball / Outdoor Challenges.

Discover the value of teamwork, challenge yourself and enjoy being active in a supportive and exciting environment.

STEM

Ask questions, test ideas and discover how creativity and innovation can change the world.

Our STEM Academies encourage curiosity, problem-solving and practical learning.

Students have opportunities to investigate, experiment, design and create while developing the skills needed to tackle new challenges.

A range of STEM Academies will be available to choose from, for example:

Science / Technology / Engineering / Coding / Robotics / Innovation.

Think creatively, work collaboratively and turn ideas into action.

ARTS

Explore your creativity and bring your ideas to life.

Our Arts Academies give students the opportunity to create, perform, experiment and express themselves.

A range of Arts Academies will be available to choose from, for example: Art & Design / Drama and Musical Theatre / Music / Photography / Fashion Design.

Discover new ways to communicate, work creatively with others and take pride in what you create.

INTERNATIONAL BUSINESS

Discover the exciting world of business, entrepreneurship and leadership.

Work with other students to solve challenges, develop ideas and present your thinking with confidence. Explore how ideas become opportunities and how successful individuals and organisations communicate, innovate and respond to a changing world.

A range of International Business Academies will be available to choose from, for example: Entrepreneurship / Marketing / Leadership / Sustainability / International Relations / Pitching and Presenting.

Develop your confidence, communication and teamwork while thinking about the opportunities and challenges of an increasingly connected world. Ideas can change the world. What will you create?
