September 21, 2026

Notice to Families:

As required by New York State Education Law § 3201-b, the District has posted its procedures for student safety as it relates to interacting with immigration authorities and protecting student rights.

These procedures outline how Haldane CSD responds to requests from immigration authorities, safeguards student records, and ensures compliance with state and federal law. These procedures align with NYS requirements and formalize practices already in place within the District.

You can find these procedures on our website under **District - Additional Information**.
