Courses you are requesting to "Test Out" of:

1. _____
2. _____
3. _____

- Passing grade for testing out is a C+ (77%)
- You may not test out of a class that you are currently enrolled in unless approved by a counselor
- Students who pass a test will receive credit on their transcript toward graduation, but will NOT receive a grade on their transcript; rather, their transcript will display a TO indicating "testing out" credit. GPA points are not calculated for a TO
- After the registration deadline passes, students who have signed up to test out will be given a copy of the appropriate department's "test out" procedure and a course syllabus.
- Specific High School Content Expectations for each course required by the Michigan Merit Curriculum may be found at the Michigan Department of Education's website under Curriculum.
- The results of the test-out exam will be submitted to the building principal, approved, and then a copy will be given to the student's counselor.
- A building administrator will contact the student/family regarding the TO attempt results.
