Students across the school celebrated Constitution Day by proudly signing the UES Constitution, officially pledging to be respectful, responsible, and safe every single day. By uniting around these core expectations, our school community helps foster a positive, supportive environment where strong relationships thrive and high-quality teaching and learning can happen every day.

Parent Teacher Conferences

In addition to our student commitment, strong partnerships with families are essential to our students' success. Parent-teacher conferences are a vital opportunity for us to collaborate, discuss your child's progress, and work together to support their growth both academically and socially. We truly value this connection and look forward to seeing everyone this Thursday and Friday!

The following link will take you to the MyPowerHub support site, which has a quick tutorial on signing up for conferences.
