MARYVILLE CITY SCHOOLS
JOHN SEVIER SCHOOL PARENT COMPACT

WHAT IS A SCHOOL-PARENT COMPACT?

A School-Parent Compact is a written agreement among all members of a school learning community. It clearly defines the role of each member in an effort to afford the most productive, quality education possible for all students. The school learning community consists of teachers and other school personnel, parents, and students. As active partners in the educational process of our students, we faithfully commit and adhere to the stated responsibilities within this compact.

JOINTLY DEVELOPED

This School-Parent Compact was jointly developed with input from families, teachers, school staff and students. Families are invited to provide feedback and suggestions during Title I meetings, through surveys and other engagement opportunities, and by contacting a school administrator throughout the year. The compact is reviewed annually and revised as needed to meet the changing needs of students, families, and the school. A copy of the compact is available on each school's website.

EXPECT THE Best

BUILDING PARTNERSHIPS

Our schools firmly believe that a strong partnership between school and home is the key component for student success. Together, schools and families can prepare students for a lifetime of learning and responsible citizenship.

COMMUNICATION ABOUT STUDENT LEARNING

JSE staff and families will maintain regular, two-way communication regarding student learning and academic progress. Communication may include Seesaw, email, newsletters, phone calls, in-person meetings, report cards, screening reports, RTI progress reports, parent-teacher conferences, school websites, and district updates. Information will be provided in a clear, understandable format and, to the extent practicable, in a language families can understand. This communication is achieved through:

- SeeSaw Communications
- Email Newsletters
- Phone Calls Home
- In-Person Conversations
- Families will receive frequent reports and information regarding their child's academic progress through report cards, assessment results, progress reports and other school communications.
- Universal Screenings for Reading Reports
- RTI Progress Letters
- At least annually, elementary teachers will discuss the School-Parent Compact with families during a parent-teacher conference as it relates to the individual child's academic achievement and progress.
- School Website
- District Updates
- Families will have reasonable access to school staff to discuss their child's progress and opportunities to volunteer, participate in their child's class, and observe classroom activities in accordance with school procedures.

Preparing students for a lifetime of learning...

In the classroom, JSE faculty and staff will...

- Provide a safe, loving environment for all students.
- Treat each child with dignity and respect.
- Provide high-quality, standards-aligned curriculum and instruction in a safe, supportive and effective learning environment that enables students to meet Tennessee's challenging academic standards.
- Strive to engage every child in meangingful learning opportunities and provide support, remediation, enrichment, and differentiated instruction as needed for success.
- Communicate regularly with parents.
- Encourage students to reach their full potential.
- Strive to have every child feel accepted, respected valuable, and capable every day.

At home, the parent will...

- Ensure that his/her child attends school each day and arrives on time.
- Provide support to his/her child for activities/assignments sent home by classroom teachers for practice.
- Check folders and backpacks for school work, notes from teachers, and field trip forms.
- Support and reinforce all school/classroom rules and expectations.
- Become actively involved in the education of his/her child.
- Support literacy and math practice at home.
- Communicate with teachers.

JSE students will...

- Complete assignments and tests in class to the best of his/her ability.
- Complete homework provided by classroom teachers and submit on time.
- Follow all school classroom and rules and expectations.
- Come to school with a positive attitude about learning.
- Maintain satisfactory behavior during less structured times such as hallway transitions and in the bathroom.
- Speak to peers and staff in a positive manner.
- Request additional assistance from adults when feeling frustrated or unsure.
- Come to school ready to learn.
- Ask for help when needed.
