College Application Fee Waiver

Processes for college application fee waivers vary by university.

Students who use www.CommonApp.org to apply for college may request a fee waiver directly through the application. High school counselors will review eligibility for those requests and approve eligible students. Most, but not all, colleges that use Common App will receive waivers through this process.

Students who use www.ApplyTexas.org or another application system should investigate the application fee waiver process by searching online for "application fee waiver + name of college" or look on the university's admissions page for details. Many colleges will allow use of the NACAC fee waiver linked below.

Eligible students who cannot fulfill this request through other means may utilize a [NACAC Fee waiver](#), if their college will accept it. To use this form, please print, complete, and have it signed by a counselor or Mrs. Poag (in room 1041).
