

A PRIDE OF PASSIONATE LEARNERS

WILMER AMINA CARTER HIGH SCHOOL

Schoolwide Learner Outcomes

Critical Thinking

- Students collect, assess, and analyze relevant information.
- Reason effectively and use systems thinking.
- Make sound judgements and decisions by solving theoretical and real-life problems.
- Reflect critically on learning experiences, processes, and solutions

Civic Responsibility

- Students adapt to varied roles, job responsibilities, schedules, and contexts.
- Work effectively in a climate of ambiguity and challenging priorities.
- Incorporate feedback effectively. Deal positively with praise, setbacks, and criticism.
- Model positive and productive citizenship by exhibiting self-esteem, self-discipline, and acceptance.
- Achieve excellence in both formal and informal education, which extends into lifelong learning

Communication

- Students articulate thoughts and ideas effectively using written, oral, and nonverbal communication skills in a variety of forms and contexts.
- Listen effectively to decipher meaning, including: knowledge, values, attitude, and intentions.
- Utilize multiple media and technologies reasonably to communicate.

Innovation

- Students view failure as an opportunity to learn; understanding innovation is a long-term, cyclical process of small successes and frequent mistakes.
- Use a wide range of idea-generation techniques.
- Elaborate on, refine, analyze, and evaluate their own ideas to improve and maximize creative efforts.
- Demonstrate originality and inventiveness, and understand the real-world limits to adopting new ideas.
- Act on creative ideas to make a tangible and valuable contribution to the field in which the innovation will occur.

Collaboration

- Students demonstrate the ability to work effectively and respectfully with diverse teams.
- Exercise flexibility and willingness to help make necessary compromises to accomplish a common goal.
- Assume shared responsibility for collaborative work and value each team member's individual contribution.
