TUCKERTON ELEMENTARY SCHOOL CHOICE ENROLLMENT PROCEDURE

1. Enrollment preference will be given to:
    a. Students who have siblings currently attending Tuckerton Elementary School.
    b. Resident students who move out of Tuckerton but want to remain as a Tuckerton Elementary School student.

2. If there are more applicants than there are spaces available, a public lottery will be held to determine which students may participate in the Choice Program.
    a. Before conducting the lottery, preference will be given to siblings of students already enrolled in and attending Tuckerton Elementary School.
    b. A number will be assigned to each student participating in the lottery.
    c. The parent/guardian of each applicant will be notified of the lottery process, the date and time it will be held, and what number their child has been assigned.
    d. A waiting list will be developed for those students not selected for admission in the lottery, and families will be notified of the student's number on the waiting list.
    e. Lotteries will be conducted by grade level seat availability.

3. If a seat becomes available, the next student on the waiting list will be notified.
