This week is Homecoming for all our Rebels. Each day this week, we will be encouraging students and staff to dress up to show their school spirit.

This week will be capped off with a rally on Friday and our Homecoming Football game that evening. Tickets can be purchased through Go Fan, and the link is on page 3 of this newsletter. Spectators are reminded of the spectator's expectations when attending any FUSD sporting event.

To help ensure a safe and enjoyable experience for everyone attending FUSD athletic events, enhanced safety measures are in place at all stadiums. Spectators should arrive early, as all attendees must pass through security screening and bag checks upon entry. Only approved bags are permitted, and student backpacks are prohibited. High school students must present a valid student ID to enter, and only students from the host school may sit on the home side of the stadium.

Guests are reminded that there is no re-entry once they leave the venue. Positive sportsmanship and respectful behavior are expected at all times, and disruptive conduct may result in removal from the event. FUSD Police and District Safety Officers will maintain an increased presence to ensure a safe, welcoming environment for students, families, and community members while supporting our student-athletes.

I am here to serve you and our students. Please let me know if there is anything I can do to help you navigate high school. You are welcome to reach out via phone at (909) 357-5800 extension 10117 or by e-mail at [barbara.kelley@fUSD.net](mailto:barbara.kelley@fUSD.net).

## Quarter Report Cards: A Critical Checkpoint for Success

As we approach the end of the first quarter, it is important for every student to take a close look at their academic performance. Quarter report cards provide more than just grades. They serve as an early indicator of whether students are on track to meet graduation requirements, maintain eligibility for school activities, and achieve their college and career goals.

One of the most important academic benchmarks for high school students is maintaining a minimum 2.0 GPA. Students who fall below a 2.0 GPA may become academically ineligible to participate in extracurricular activities, athletics, and other school-sponsored programs. Eligibility requirements are designed to encourage students to prioritize their academics while enjoying the many opportunities high school has to offer. For students

whose grades may not be where they want them to be, now is the time to seek support from teachers, counselors, tutors, and intervention programs before the semester ends.

Earning credits is equally important. Fontana Unified School District requires students to successfully complete 230 credits in grades 9-12 to earn a high school diploma. Students should monitor their progress carefully and ensure they are meeting key credit benchmarks each year. Falling behind in credits can create challenges later in high school and may limit post-secondary options. Students should strive to earn approximately 60 credits by the end of ninth grade, 120 credits by the end of tenth grade, and 180 credits by the end of eleventh grade to remain on track for graduation.

Students should also remember that graduation requirements and college admission requirements are not always the same. To be eligible for admission to California State University and University of California campuses, students must complete the required A-G course sequence with grades of C or better in those courses. Maintaining strong grades and completing A-G coursework opens doors to universities, scholarships, career training programs, and other post-secondary opportunities.

As report cards approach, take time to review your grades, attendance, and credit progress. Every assignment completed, every class attended, and every credit earned brings you one step closer to graduation and a successful future. At A.B. Miller High School, we encourage every student to stay focused, ask for help when needed, and continue working toward their goals.

## **Athletic Director's Message**

Fontana A.B. Miller High School is one of ten member schools that comprise the River Valley Conference.

A.B. Miller fields teams in 21 boys', girls' and co-educational sports at two to three different levels (Varsity, Junior Varsity, and Freshman).

To participate in a team, each student athlete is required to maintain at least a 2.0 grade point average. To help our student athletes make the academic grades necessary, A.B. Miller runs an academic accountability program for its student athletes. The staff member who developed and oversees the program is responsible for tracking grades, making parent contact, tutoring, and serving as a liaison between student athletes, teachers, and parents.

If you have any athletics questions, please reach out me at pfeimh@fusd.net or call me at (909) 357-5800 ext. 10114.

*Michael Pfeiffer Jr., Athletic Director*

---

A.B. Miller Athletics will be using **GoFan** for ALL home games for ALL levels (Freshman, JV, and Varsity). Many of our opponents will also be using **GoFan** for away competitions. Please use the QR code below **GoFan** and purchase your tickets.

## **Drop Off and Pick Up**

Students may enter or exit one of two ways in the morning and at the end of the school day.

**From the Cypress Avenue Side of Campus**, please enter the parking lot from the northern gate near the tennis courts. Proceed to drop your student off and exit the southern gate. This parking lot is for student parking as well and is locked 15 minutes after school begins in the morning and is unlocked 15 minutes before the end of the school day.

**From the Oleander Avenue Side of Campus**, please use the northbound drop-off. Please do not sit and park in the morning, rather drop off and proceed north towards Highland Avenue to ensure that traffic keeps flowing. Students then need to walk in or out of the campus through the gates between the library and the Q-building (two-story building). This entrance will be open until 8:35 AM.

**Students arriving after the gates are closed**, need to proceed to the Attendance Office in the Oleander Avenue Parking Lot. Students check themselves in using our electronic pass system in the Attendance Office and quickly proceed to class, to minimize classroom interruptions and your student's learning loss.
