

Looking Ahead: November 3 Replacement Levy

Dear Post Falls Families,

On November 3, Post Falls voters will consider a replacement operational levy for our 5,800 PreK–12 students.

Post Falls has relied on local levies for over 40 years to cover operational costs beyond basic state funding. Due to rising inflation, this proposal includes a small increase. However, local community growth is projected to keep average homeowner school district taxes relatively flat.

If approved, the \$6,783,098 annual levy supports four key areas:

- **Safety & Health:** School nurses, security, and student support specialists.
- **Staffing:** K–3 reading specialists and competitive pay for teachers.
- **Programs:** Athletics, extracurricular clubs, and KTEC career training.
- **Transport:** Replacements for two school buses.

Over the coming weeks, we will share more details on each area. Full budget details are available on the PFSD website. For questions, please reach out at 208-773-1658 or annam.wilson@sd273.com

Best,
Anna Wilson, Superintendent

Property tax relief from the State of Idaho funds a portion of the Post Falls School District supplemental levy, resulting in an estimated levy rate of \$38.87 per \$100,000 of taxable assessed value. (Districts must disclose on the ballot what the levy rate will be without property tax relief. This amount is estimated at \$64.90 per \$100,000 of taxable assessed value.)

Free and Reduced School Meals

Your child may qualify for free or reduced-price school breakfasts and lunches based on household income.

- Only one application is needed per household.
- Applications must be renewed every school year.

See the district website to view income eligibility guidelines and submit your online application!

Enhancing Student Online Safety

As part of our ongoing commitment to student safety, Post Falls School District is updating our online monitoring technology by partnering with Linewize.

We continue to actively monitor student safety on district devices, and this new tool uses advanced threat detection to quickly flag online risks (such as self-harm, bullying, or safety concerns) allowing us to intervene faster.

Linewize strictly complies with student privacy laws.

September is Suicide Prevention Month

Youth mental health is crucial, and together we can create a supportive environment for our children to thrive. If your student needs support, Care Solace offers free mental health care coordination services. Call 888-515-0595 or visit www.caresolace.com/pfsd to get connected with help today.
